## TESTING AFTER TAKING EITHER THE SELF-PACED or LIVE CERTIFICATION TRAINING

1. Select the step number (see below) for the age group of the exam you would like to take. Remember, if you pass any age group exam with a score of .70 or above you can use the tools for any age group. The certification test (exam) is at the end of the self-paced training so if you took the virtual live certification training, you DO NOT need to complete steps 1-62 and can just scroll down to one of the exams shown below) *Please note: Practice Exams are not required but can be a tool to use to prepare for testing since it will give justifications for the correct ratings.*

The screenshot shows a user interface for a training platform. At the top, there is a navigation bar with 'Home', 'Me', 'Training', 'Content', and 'Groups'. On the right side of the navigation bar, there are icons for 'EN', a notification bell, a user profile, and a power button. The main content area is a list of seven items, each representing a step in a certification process. Each item includes a thumbnail image, a title, a description, and a status indicator in a circle. The items are:

- Step 63:** Domain 45 Preparation for Certification. Status: Pending.
- Step 64:** Vignette 1 Alameda CANS Practice Exam 0-5. Status: Pending.
- Step 65:** Vignette 2 Alameda CANS Certification Exam 0-5. Status: Pending.
- Step 66:** Vignette 3 Alameda CANS Practice Exam 6-17. Status: Pending.
- Step 67:** Vignette 4 Alameda CANS Certification Exam 6-17. Status: Completed. Best Score: 0.93 (Passed) on May 29, 2024.
- Step 68:** Vignette 5 Alameda CANS Practice Exam 18-24. Status: Pending.
- Step 69:** Vignette 6 Alameda CANS Certification Exam 18-24. Status: Pending.

Once you pass an exam, it will show that in Green (see Step 67 above) and the most recent certification score you achieved. You can take the exam as many times as is needed to pass and not all vignettes are the same, some are more complex than others. Reach out to [support@tcomtraining.com](mailto:support@tcomtraining.com) if you try multiple times and you are still struggling to attain certification.
